

At our recent 48th Annual Conference in Harrogate, Sugata Mitra gave a plenary talk on '*The Future of Learning*'. As you may be aware, this has prompted a wide range of responses. It has also provoked a huge amount of discussion and debate on social media channels such as Facebook and Twitter and been the subject of many ELT blog posts.

As Sugata Mitra's plenary talk took place on the final day of the conference, there was no opportunity for a workshop or question and answer session for delegates to explore his ideas with him which is the usual procedure with our plenary speakers. We have therefore invited Sugata Mitra to give an extraordinary IATEFL webinar '**Questions and answers with Sugata Mitra**' to take place on **Saturday 19th April 2014 from 17.00 BST**.

If you have questions that you would like Sugata Mitra to answer during the webinar, please send them to Marjorie Rosenberg at marjorie.rosenberg@besig.org or post them under the webinar announcement on the IATEFL group Facebook page. There will also be a chance to pose questions live to Sugata Mitra in the chat box during the webinar.

We strongly recommend that you (re-)watch the recording of [Sugata Mitra's plenary session](#) and the [interview](#) with him on [IATEFL Harrogate Online](#) before the webinar.

Please go to the [IATEFL Webinar page](#) and follow the instructions on the day if you're interested in joining the webinar.

We look forward to seeing you there!

With best wishes
